## **Nanolumens Announced as Presenting Sponsor of Themed Entertainment Association's INSPIRE Conference**

*Nanolumens to illuminate TEA's INSPIRE Conference as the official presenting sponsor*

**ATLANTA (Feb. 27, 2024)** — Nanolumens, industry-leading manufacturer and designer of cutting-edge LED displays and solutions, announces their role as presenting sponsor of the Themed Entertainment Association's INSPIRE Conference. The Themed Entertainment Association's highly anticipated INSPIRE, scheduled to take place from March 14–15, 2023, in Hollywood, California, will unite leaders, innovators, and enthusiasts from the themed entertainment industry to explore the latest trends, technologies and best practices in creating immersive experiences.

Kurt DeYoung, Nanolumens' Chief Revenue Officer says, "We're extremely pleased and excited to be part of such a worthwhile event. This two-day conference brings together creatives who continue to move the themed entertainment industry forward. It's an exciting opportunity to learn about recent and new projects in development."

Nanolumens' immersive LED displays are renowned for their exceptional quality, flexible panels and customization options, making them the ideal choice for themed entertainment applications. Designed for a variety of use cases, including dark rides, outdoor signage, marquees, wayfinding, advertising, digital art and entertainment, Nanolumens' LED displays enable creators to bring their visions to life with stunning visuals and seamless integration. Tailored to enhance visual storytelling, Nanolumens' line of dvLED products features the original True Curve technology, providing a versatile solution for immersive entertainment applications.

"At Nanolumens, we are passionate about pushing the boundaries of what's possible in visual experiences," said DeYoung. "Our LED displays are designed to captivate and engage audiences in themed entertainment environments, creating immersive experiences that leave a lasting impression. Our team is excited to participate and sponsor the Themed Entertainment Association's INSPIRE Conference and network with creators, developers and designers."

Chloe Hausfeld, TEA Global Director of Strategic Partnerships, adds, "TEA is thrilled for the upcoming INSPIRE Week program that provides attendees with immersive networking opportunities and educational experiences, creating a platform for professionals in the industry to connect, learn, and be inspired. Such events play a crucial role in fostering innovation and collaboration within the themed entertainment sector, and couldn't be possible without the support of our partners, including INSPIRE's Presenting Sponsor, Nanolumens. We are so

grateful for Nanolumens' continued support of TEA's activities and their dedication to both fostering and celebrating excellence in themed entertainment worldwide.”

INSPIRE Week promises to be a dynamic gathering of leading professionals, designers, and innovators in the themed entertainment industry. Through a series of presentations, workshops, and networking opportunities, participants will gain insights into the latest trends, best practices, and emerging technologies driving the evolution of themed entertainment experiences.
